

Your Learning Plan

Question: I have more than 50 credits for my current cycle. Can I apply the additional credits to my next cycle?

Answer: Credits can only be applied in the cycle in which they are earned.

Thank you,

MDCB.

MDCB? AAMD?

MDCB - The Medical Dosimetrist Certification Board

- Administers the Medical Dosimetry Certification Exam
- Governs the Maintenance of Certification for Certified Medical Dosimetrists (CMDs)

AAMD - The American Association of Medical Dosimetrists

- Medical Dosimetry Professional Society
- Provides educational resources for Dosimetrists

The MDCB recognizes AAMD educational activities to fulfill the Maintenance of Certification requirements for CMDs.

Thank you,

MDCB.
