

Conference Credit Uploads

As the conference season approaches CMDs are reminded that AAMD, AAPM and ASTRO sessions attended will be loaded to your learning plan as "Activity Accepted".

Be sure that these respective organizations have your **MDCB number**, you are **registered as a dosimetrist where appropriate** and that you **complete all required evaluations**. Credits will typically upload to learning plans approximately 30-45 days after the end of a conference.

Thank you,
MDCB.
