

Have an Impact on the Rapidly Changing Medical Dosimetry Profession

Nominations are now being accepted through February 1st for MDCB Board Service.

What are the qualifications for board service?

The MDCB seeks a diverse board comprised of clinicians, educators, public member, medical physicist and radiation oncologists. CMDs should meet the following criteria:

- Be a CMD for a minimum of 3 years
- Have a minimum of a BS degree
- Be a current practitioner

What's involved?

- CMD Board terms are 5 years in length.
- The Board meets for two days, 3 times a year, in cities across the US and Canada.
- At board meetings issues related to the administration of the certification exam, policy and strategic initiatives are considered.
- Individual board members' knowledge and expertise are an important component during discussions. Each member should be prepared to discuss the issues at all meetings.
- Each board member serves on one or more board committees: Executive, Eligibility, Ethics, Finance, Maintenance of Certification, Test Development or Leadership Development. Time commitment on each committee varies and may be up to 2 hours per week. Committee service is rotated annually.
- Board members are guided through the process to submit 3 (three) exam items for each board meeting and will be awarded a maximum of 20 CE during the board term.

So why would you want to give your time and effort?

- Quite simply, because you will be rewarded. The reward is not in funds, of course, but in other valuable currency:
- Continuing education - learn from fellow board members from the oncology field, CMDs, Physicists and Radiation Oncologists.
- Professional growth - gain new leadership skills that will augment your CV.
- Interpersonal skills development - build both social and career relationships that will last for many years.
- Pride in enhancing the profession- giving back to your community, your knowledge, expertise and time.

What is the nominating process?

- Applications are reviewed by the MDCB Leadership Development Committee.
- Selected candidates are interviewed via teleconference by the committee.
- The committee recommends candidates for nomination to the board.
- Final candidates are elected by board vote.
- Elected candidates are notified of board decisions in April.

Applications are accepted annually between November 1 and February 1. CMDs interested in board service or wish to nominate a fellow colleague can submit a completed application, and email it with a current CV, letter to the president indicating your service goals and two letters of recommendation to info@mdcb.org with the subject line "MDCB Board Nomination."

Eligible Activities for CE Credit*
